**NON-COMPLIANCE SUMMARY**

<b><u>Violation Number</u></b>	<b><u>Nature of Noncompliance</u></b>
--------------------------------	---------------------------------------

**I**

**Violation of Mandatory Condition: The defendant shall not unlawfully possess a controlled substance. The defendant shall refrain from any unlawful use of a controlled substance. The defendant shall submit to one drug test within 15 days of release from imprisonment and at least two periodic drug tests thereafter, not to exceed 104 test per year, as directed by the Probation Office.**

On 2/5/21, Mr. Duran submitted a urine specimen that tested positive for the presence of cocaine and fentanyl. When questioned about these results he admitted to drug use.

**U.S. Probation Officer Action:**

Subsequent to receiving the drug test results and Mr. Duran's admission to drug use, his drug testing frequency was increased. In addition, he increased the frequency of his counseling sessions to twice weekly for additional support, which we have confirmed. He has reported that he also plans to resume attending self-help meetings. Mr. Duran is scheduled to complete his term of supervised release on 4/25/21. Given his honesty and accessing treatment supports, we are not requesting court action at this time. The Probation Office will continue to monitor Mr. Duran's compliance and follow through with treatment supports, and will notify the Court accordingly of any further noncompliance.
